The Gabrielle Dining Chair has been designed for the ultimate in style and comfort. This elegant chair effortlessly combines the traditional with the contemporary and would appeal to refined taste. With gentle curving lines and comfort in mind this graceful design is perfect for any room in your home.

The luxurious style of the Gabrielle Bar Stool combined with the comfort of a dining chair has been carefully designed to complement the Gabrielle Dining Chair – although it also works perfectly on its own. A contemporary style, made with traditional craftsmanship of superior quality you would expect from The Dining Chair Company. This versatile design is great for either your kitchen or a commercial setting.

The Dining Chair Company exhibited for the first time at Decorex in 2004. Since then our range has grown considerably; comprising over 40 chairs, both traditional and contemporary. Renowned worldwide for the highest quality and comfort of our dining chairs, as well as our competitive prices. We are determined to uphold our reputation of continuously meeting the demanding commercial standards of interior designers along with catering for individual needs, tastes and budgets.

Please visit our stand H260 at Decorex to view our latest models.
